EXPERIENCE

BuildUCLA
WEB DESIGNER & MOBILE DEVELOPER | JAN 2014 – JUN 2015

Web designer tasked with constructing hi-fidelity mockups for Stashd web application landing page. Responsible for debugging UCLA Library mobile app crashes, adding fail safes, and refactoring code for readability. Contributed UI/UX improvements for the mobile app based on user testing feedback.

The Daily Bruin
FRONT-END WEB DEVELOPER | JAN 2013 – DEC 2014

Collaborated with news editors and junior/senior developers to plan and develop responsive flat pages and web applications in a WordPress environment. Projects managed in Trello/Asana, with Git version control. Also, responsible for uploading, laying out, and publishing of news content through WordPress dashboard to the Daily Bruin website.

TANMS Engineering Research Center
TECHNICAL & ADMINISTRATIVE ASSISTANT | DEC 2013 – JUN 2015

In two weeks, designed and hand-coded TANMS research center website to serve as an outlet for the research center's news, resources, and membership plans. Performed clerical duties including data entry, word processing, and print media design.

American Chemical Society UCLA Chapter
WEBMASTER | SEPT 2012 – MAR 2013

Updated site design to reduce clutter and remove dependence on external RSS generator. Wrote complete documentation for site, and provided officers with training in web development and FTP client usage so website tasks could be distributed.

Westmoor High School
SENIOR WEB DEVELOPER | Sep 2009 – Jun 2010

Responsible for complete redesign and maintenance of school website to increase scope of site content. Scripted dynamic features including automatic daily schedule changes.
